SUMMARY

To obtain a challenging position that fully utilizes my skills and provides me with suitable opportunities to grow my technical and communication skills which would help me as a fresher to grow while working towards the organizational goals.

SKILLS

C/C++

HTML,CSS JS

BASIC KNOWLEDGE ON OOPS

CURIOS TO LEARN

I have done more than one projects with HTML,CSS and Javascript and in future I would like to learn React framework to complete my front end knowledge and later on in my career I would like to learn backend part too so that I can be a full stack developer in the industry.
